

Frequently asked Questions & Answers

St. Boniface Parish Scrip - WCS Tuition Credits

Q. *When will the credits I earn be applied to my tuition?*

A. The **following** school year on your fall tuition statement. The SCRIP distribution period runs from July 1 through June 30.

Q. *Can other family and friends buy SCRIP cards and have the credit count toward my family's tuition?*

A. YES! Others can set up their own account at shopwithscrip.com and sign up to pay online just as you can. They will need the enrollment code information for setup the 1st time. Any family members or friends can also purchase SCRIP at the parish office and earn credits for your family, as long as they have completed a Scrip Agreement and Pickup/Delivery Form. The more supporters you have, the more credits you will earn!

Q. *Can WCS families with only an 8th grade student receive tuition credits?*

A. No, the rebates can only be applied to the following school year's tuition statement, so a student in 8th grade RIGHT NOW, who is the only child at WCS from that family, will only be able to use the credits you have earned from the previous year.

Families with 1 child at WCS who will be in 8th grade this fall are still welcome to participate in Scrip with the choices below. (Please note: You will need to sign a new Scrip agreement to indicate where you want to contribute your 50% of Scrip rebates.) Faculty and staff with no children at WCS will also have these same options:

1. You can apply any rebates earned toward the "HALO" fund, a tuition assistance fund for families needing help paying their tuition.
2. You can designate all the rebates you earn to St. Boniface Parish.
3. You can apply the credits you earn to another WCS school family.

Q. *If I have a pre-Kindergarten student enrolled, who will be in Kindergarten at WCS in the fall, can I participate?*

A. Yes, you can participate in Scrip, beginning when your child is in Pre-Kindergarten, and your credits will be applied to your tuition when your child starts Kindergarten.

Q. *Is scrip still available during the summer?*

A. Yes! Scrip will be available all summer by ordering online at shopwithscrip.com. Scrip orders during the summer months, that include regular plastic gift cards, can be picked up at the parish office or at the weekend Masses at St. Boniface Church when your order is ready. You can also stop by the parish office Mon. through Friday to buy in-stock cards.

Q. *What happens to our credits if our family leaves WCS?*

A. If any family leaves WCS, any rebates you have built up will automatically be donated to the "HALO" fund, a tuition assistance fund set up for WCS families who need help paying tuition. No cash rebates will be issued.

Q. *Can I tell throughout the year how much credit I am earning?*

A. Yes, the secure SWS website tracks your purchases and the TOTAL amount of rebates earned on your account. Click "**Dashboard**", then "**Family Functions**" and then "**Reports**". Type in the dates **July 1 to June 30**. The rebate shown will be the FULL amount of the rebates you have earned, and **your Tuition Credit will be 50% (half) of that amount!**

Q. What are eGift cards and the mobile app, RaiseRight?

A. eGift Cards are electronic cards and are the quickest way to purchase scrip at **shopwithscrip.com**. **eGift Cards** can be ordered and used within minutes using your linked bank account.

You can buy or pull up a recent purchase on your smart phone on the **new mobile app, RaiseRight**, or on your computer at **shopwithscrip.com** when you have signed in.

How to make a purchase with an eGift card: At some businesses, you can simply show the eCard from your phone, and they will scan it for payment. When you are shopping at an online retailer, enter the numbers on your eGift card at checkout. Since not ALL businesses have the technology to read the eGift card from your phone, you can simply print out the certificate on your computer and take it to the store for immediate use. **Check out the ShopWithScrip website** to find businesses that offer eGift cards & how to redeem them.

Q. What is the Reload option shown on the shopwithscrip.com website?

A. Use the **Reload** option when you already have a physical gift card that you have purchased through St. Boniface Parish Scrip recently. Some retailers offer a reload option on a previously purchased card. A regular **Reload** order placed before 3:30 p.m. Eastern Time Monday through Friday and paid for from your linked bank account will process overnight and the funds will be added and available to use by 10:30 a.m. Eastern Time the next morning. Many retailers, however, NOW offer **ReloadNow** which is even **QUICKER** and means the card you reload can be used **within minutes of adding money to it!**

Q. What are other ways to use scrip?

- *Use scrip for everyday purchases: groceries, prescriptions, dining out, clothing, home improvement items, gas and automotive purchases, online shopping, etc.*
- *Use scrip to buy gifts for birthdays, holidays, graduations, weddings, showers, etc. Give and use them just like any other gift card.*
- *Use scrip as your own Christmas Club savings account. Each month you can purchase scrip for places you know you will shop at for Christmas gifts. By the time Christmas arrives you will already have scrip ready to use!*
- *Use scrip to stay on budget every month. Using gift cards for things like groceries or clothes shopping can make sure you (only) spend the amount of your scrip purchase.*
- *Use scrip at work — give gift cards or use them for co-worker gifts, holiday gifts, birthdays, teacher gifts, boss' or secretary's day, etc. If your company gives gift cards for these occasions, or as bonuses, have your company purchase gift cards through St. Boniface (using your family name of course) and everyone will reap the benefits.*
