DEAR BOBCAT FAMILIES,

Wow! What a great first few weeks back in the school building! It is so nice to see the classrooms full of love and laughter again! We sure have missed our students! Thank you so much for your continued support in making our return to school a success. Please continue to symptom check at home each morning. We need everyone to do their part in keeping our students safe. If you have any questions about symptoms you may call the school office at 812-423-9115 for guidance. As information and guidelines change, I will continue to keep you updated.
