

Information on ScripNow, MyScripWallet and Reloads

What exactly is ShopWithScrip.com?

Shopwithscrip.com is an online scrip ordering website from Great Lakes Scrip Center (GLSC). It allows you, as a supporter of St. Boniface Parish, and WCS to place your own scrip orders online. Those orders, for physical (plastic) gift cards, from our school families will be gathered into ONE St. Boniface parish order by the Scrip team. **If you place an order online for plastic gift cards, your order MUST be placed by 9 am. Monday.** If you choose to have your completed order sent home with your child, you will receive those cards on Friday. If you want to pick up your cards at Mass, you will get your cards on Sat. or Sun. Please keep in mind that LARGE quantities of local cards or special denomination cards may take longer to receive, so allow extra time when you need cards for a big project.

One of the BIGGEST BENEFITS of placing your orders online is that once you are signed up, you can also purchase Scrip in some EXCITING NEW WAYS, with payment directly from your checking account. Below are a few of the new ways to buy and use Scrip:

ScripNow! ® You can order ScripNow® electronic gift cards (eCards) from your new ShopWithScrip® account. Just print out ScripNow on your home printer and use it in stores just like a physical gift card, or you can use it for online shopping by entering the card number and PIN on the checkout page.

ScripNow is perfect for last-minute purchases, like dining out or a quick trip to the mall. You have access to the scrip you might need for any unplanned purchases, which is especially great when your program is closed for a break, or your organization isn't placing an order for another week. You can place your ScripNow order anywhere you can get online, whether that's on your home computer or using MyScripWallet.com on your mobile device.

You can also send ScripNow as a gift. It's easy to customize the eGift with a personal note, and send it to anyone, anywhere, with an email address. There's no need to risk sending gift cards in the mail when you can send a ScripNow eGift!

MyScripWallet: If you have a smart phone with internet access, you can have your eCards delivered directly to your ShopWithScrip account, and they will be in your wallet at www.myscripwallet.com the newest and quickest way to purchase Scrip wherever you are! **MyScripWallet**™ offers the widest selection of electronically delivered products and the highest rebates available anywhere. You can order electronic gift cards, reload physical cards, and in many cases redeem them right from your phone! And it's fully integrated with ShopWithScrip.com, so you only need one login and you can use your PrestoPay account in both places. **MyScripWallet** lets you shop on-the-go!

Reload and ReloadNOW This option allows you to reload, or add money to a card that you recently purchased from St. Boniface. Some businesses, but not all, offer this environmentally friendly way to reuse Scrip cards. Go to www.shopwithscrip.com and explore the huge number of retailers available as well as the new ways to buy scrip without getting a physical (plastic) gift card.
