

PAW PRINTS

WESTSIDE CATHOLIC SCHOOL

ONE FAITH. ONE FAMILY. ONE FUTURE.

MARCH 7, 2014

PARENTS!

We were thrilled to have our incoming Kindergarten parents attend the Round-Up meeting this week. Along with some of our favorite current families, we have some wonderful new families that will be joining us in August. Mrs. Spillman always does a beautiful job explaining school readiness and our school curricular program. We look forward to the incoming Kindergarten students visiting the classroom on Thursday, April 17, from 12:15 – 1:45 p.m.

AFTERSCHOOL ACTIVITIES AND PRACTICES

Students that use the gym for afterschool and evening practices at St. Agnes are **to enter and exit the doors to Ryves Hall**. The school doors are only for pick-up for after school care. Please do not just drop off your children. If the Ryves Hall doors are locked, then a coach is not there to supervise the students so please wait for them to arrive.

It is very important that students are not left unattended or unsupervised at any time in a St. Boniface, St. Agnes or Sacred Heart building or outside grounds for any reason at any time. The Catholic Diocese of Evansville, the three parishes, Westside Catholic School, all employees and coaches do not assume responsibility for your child should an accident occur while they are unattended.

IPADS

Technology...you just can't beat it. Our 5th grade class has really been launching into the vast array of curriculum apps available for iPads. Pictured are 5th grade students using the iPads during Math for long division in centers and the DEEP program engaging the student's interest and research experiences.
